Mencerdaskan Generasi Bangsa

Pagi hari di sebuah rumah sederhana yang terlihat asri dengan beberapa pohon hijau dan halaman yang bersih, tinggalah seorang anak bernama Aldi yang baru kelas 2 sekolah dasar. Aldi tinggal bersama kakaknya Irma serta Ibu dan ayahnya.

In the morning in a simple house that looks beautiful with some green trees and a clean garden, there lives a child named Aldi who is just in grade 2 of elementary school. Aldi lives with his older brother Irma and his mother and father.

Ibu melihat Irma sedang merapikan tempat tidurnya yang berantakan, kasur, seprai dan bantal disusun agar terlihat rapi. Tidak lupa juga beberapa mainan yang berserakan dirapikan sesuai tempatnya. Ibu merasa Senang karena Irma adalah anak yang bertanggung jawab dan rajin.

Mother saw Irma was tidying her messy bed. Mattresses, sheets and pillows are arranged to look good. Do not forget to also make some toys scattered according to their place. Mother feels happy because Irma is a responsible and diligent child.

Setelah mandi dan berpakaian sekolah Irma duduk di samping ayah yang sedang membaca koran, sedang adiknya Irma yaitu Aldi terlihat baru bangun dan keluar dari kamarnya langsung menuju kamar mandi.

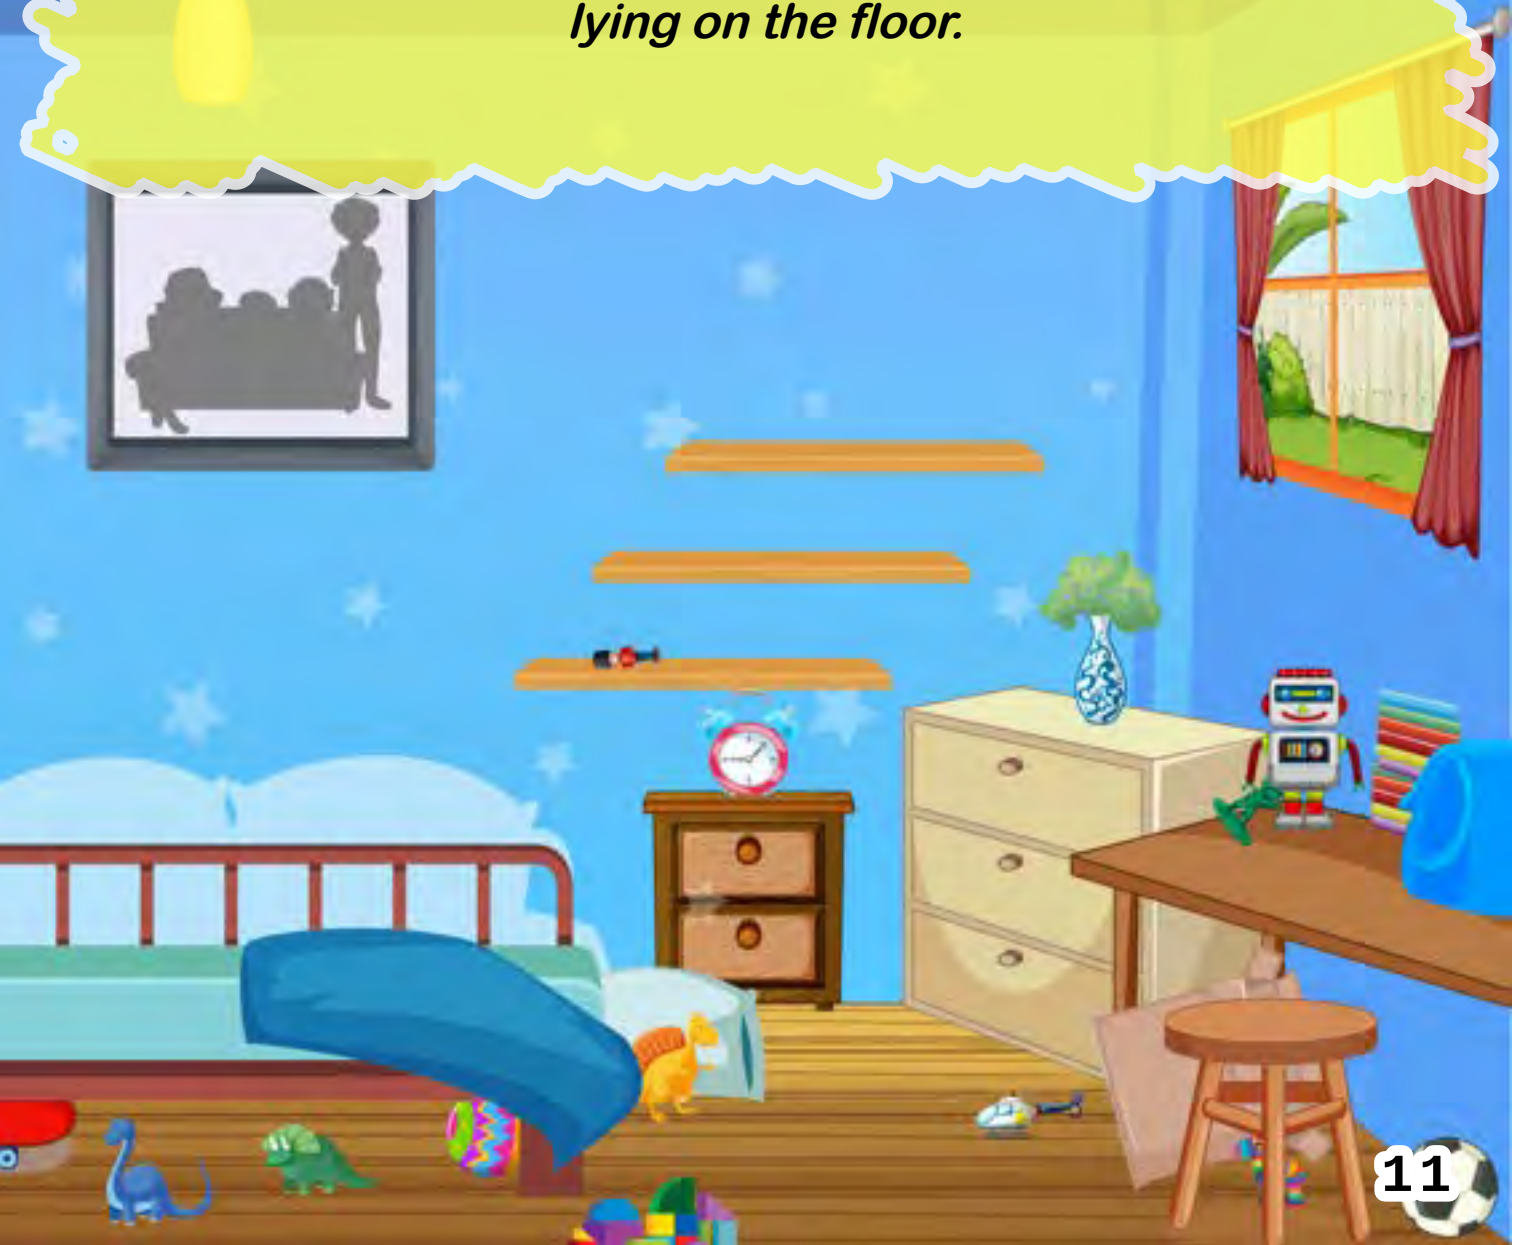

After taking a bath and getting dressed for school, Irma sat beside her father who was reading the newspaper, while Irma's younger brother, Aldi, just got up and came out of his room and went straight to the bathroom.

Saat Aldi mandi Ibu buka kamar Aldi dan kaget ternyata kamar Aldi sangat berantakan berbeda dengan kamar kakanya Irma. Kasur bantal dan beberapa mainan bergelutakan di lantai.

When Aldi shower, mother opened Aldi's room and was surprised that Aldi's room was very messy, different from Irma's sister's room. Mattresses, pillows and some toys lying on the floor.

Saat Aldi selesai mandi dan berpakaian, Aldi ditegur sama Ibu. “Aldi kenapa kamar kamu tidak kamu rapihkan, lihat kamar Kakak kamu sangat rapi sekali”, tegur ibu, Aldi hanya tertunduk, lalu Ayah berkata, “Aldi Merapihkan kamar , adalah salah satu tanggungjawab kamu sebagai anak.” Aldi hanya mengangguk lalu pergi untuk merapihkan kamarnya.

When Aldi took a shower, mother opened Aldi's room and was shocked that Aldi's room was very messy, different from Irma's sister's room. Mattresses, pillows and some toys lying on the floor.

Tak terasa siang pun tiba, saat dimana Aldi dan Irma kembali dari sekolah dan tiba di rumah. Teriknya matahari dan hembusan angin yang meniup daun-daun pohon yang ada di depan rumah Aldi, merekapun langsung masuk ke dalam rumah.

It doesn't feel like noon has arrived, when Aldi and Irma returned from school and arrived home, the hot sun and the gusts of wind blew the leaves of the trees in front of Aldi's house, they immediately went into the house.

Saat masuk ke dalam rumah Irma langsung menyimpan sepatunya di rak sepatu, sedangkan Aldi hanya melepaskannya dan langsung berlari menuju ke depan TV ingin menonton kartun kesayangannya, serentak Irma berteriak, “Aldi rapihkan dulu sepatunya ke rak sepatu” Aldi hanya menjawab.” Iya nanti Kak..”

When entering the house, Irma immediately stored his shoes in the shoe rack, while Aldi just took them off and immediately ran to the front of the TV to watch his favorite cartoon, Irma simultaneously shouted “Aldi put his shoes on the shoe rack first” Aldi just answered “Yes, Sis ..”

Malam pun tiba, Irma mengadukan Aldi pada Ayah bahwa Aldi tadi lupa mengerjakan PR, tidak mau simpan sepatu di rak dan lupa ganti baju sekolah, Aldi hanya tertunduk mendengar kakaknya mengadu sama Ayah.

In the Night, Irma complained about Aldi to Father that Aldi had forgotten to do homework, did not want to keep his shoes on the shelf and forgot to change his school uniform, Aldi just looked down to hear his brother complaining with Father

Mendengar Irma mengadu seperti itu, Ayah tersenyum lalu berbicara sama Aldi, “Aldi, setiap orang itu punya tanggungjawabnya masing-masing, Ayah, Ibu, Kakak, dan Aldi juga punya tanggungjawab, harusnya Aldi mencontoh Kakak ya belajar bertanggungjawab ya ..., Aldi mau kan jadi anak bertanggungjawab? “tanya ayah. “Iya Yah, Aldi Mau, “jawab Aldi sambil tertunduk. Lalu semua tersenyum.

Hearing Irma complaining like that, Dad smiled and then spoke to Aldi, "Aldi, each person has their own responsibilities, Father, Mother, Brother and Aldi also have responsibilities, should be imitate you sister, learn to be responsible, Aldi Do you want to be a responsible child?" "Asked the father " Yes, I Want " replied Aldi, bowing his head. Then everyone smiled

Saat pagi datang, Aldi ingat pesan Ayah untuk bertanggungjawab, makanya sebelum berangkat mandi, Aldi rapihkan dahulu tempat tidur dan beberapa mainan yng berserakan di lantai kamar, PR pun sudah Aldi kerjakan semalam, Jadi Aldi bisa berangkat sekolah dengan tersenyum.

When Morning Comes, Aldi remembers Dad's message to be responsible, so before going to take a shower, Aldi first tidy up the bed and some toys scattered on the floor of the room, Aldi has done homework overnight, so Aldi can go to school with a smile.

Saat Aldi pulang sekolah Aldi Langsung menyimpan sepatunya di rak sepatu, Lalu bergegas ke kamar untuk ganti baju sekolahnya. Setelah makan dan mengerjakan PR barulah Aldi main dengan mainan kesayangannya. Ibu sangat senang karena sekarang Aldi sudah menjadi anak yang disiplin dan bertanggungjawab, sudah tahu hal apa saja yang menjadi tanggungjawabnya sebagai anak.

When Aldi comes home from school, Aldi immediately keeps his shoes on the shoe rack, then rushes to the room to change his school uniform. After eating and doing homework, Aldi plays with his favorite toys. Mother is very happy because now Aldi has become a child who is disciplined and responsible, he already knows what things are his responsibilities as a child.
