MEDINA ILMU
Mencerdaskan Generasi Bangsa

Pada suatu hari, dua ekor
bebeb berjalan sepanjang jalan
menuju danau untuk berenang.

One day, two duck walked a
long the road to go to the lake
for their swim.

Ditengah perjalanan, mereka bertemu dengan seekor rubah yang sedang duduk di bawah pohon. Halo, saudaraku, mau kemana?” Tanya rubah.

An illustration of two ducks in a landscape. The duck on the left is a male mallard with a green head, yellow beak, and brown chest. The duck on the right is a female mallard with a green head, yellow beak, and orange-brown chest. They are standing on a green field with rolling green hills and a blue sky with white clouds in the background. A tree branch with green leaves is visible in the upper left corner. A yellow speech bubble contains text.

In the middle of the road, they
met Mr. fox. He sat under the
tree. "hello, sister. Where are you
going? Asked Mr. fox.

Selamat pagi, rubah, kami ingin ke
danau sana, kami ingin berenang,
maukah kamu ikut bersama kami?”
Tanya bebek.

“good morning, Mr. fox, we are
going to lake over there. We want
to swim. Would you like to join us?”
asked the ducks.

**“tidak terima kasih, apakah kalian berdua selalu bersama lewat disini setiap hari?”
Tanya rubah. “ya, kami selalu lewat disini setiap hari” jawab bebek.**

“no thanks, do you both come a long here every day?” asked Mr. fox. “yes, we always walk here every morning.” Said the ducks.

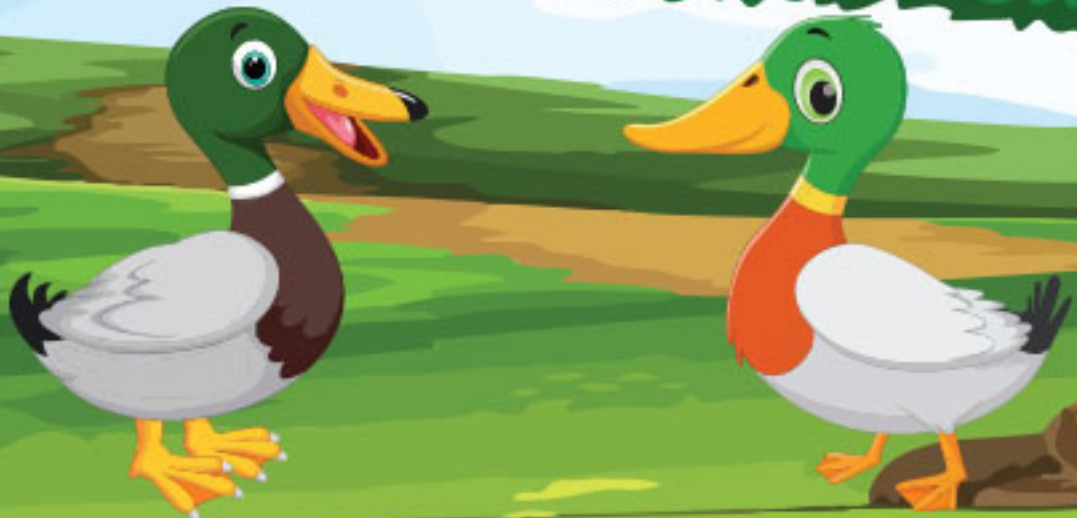

Lezzat.... Maksud saya senang
bertemu dengan kalian” kata
rubah.

“delicious..s I mean nice to
see you both,” said Mr. fox.

Keesokan harinya, bebek pertama “apakah kita pergi berenang hari ini? Saya rasa rubah menantikan kedatangan kita dan dia memiliki rencana yang tidak baik.”

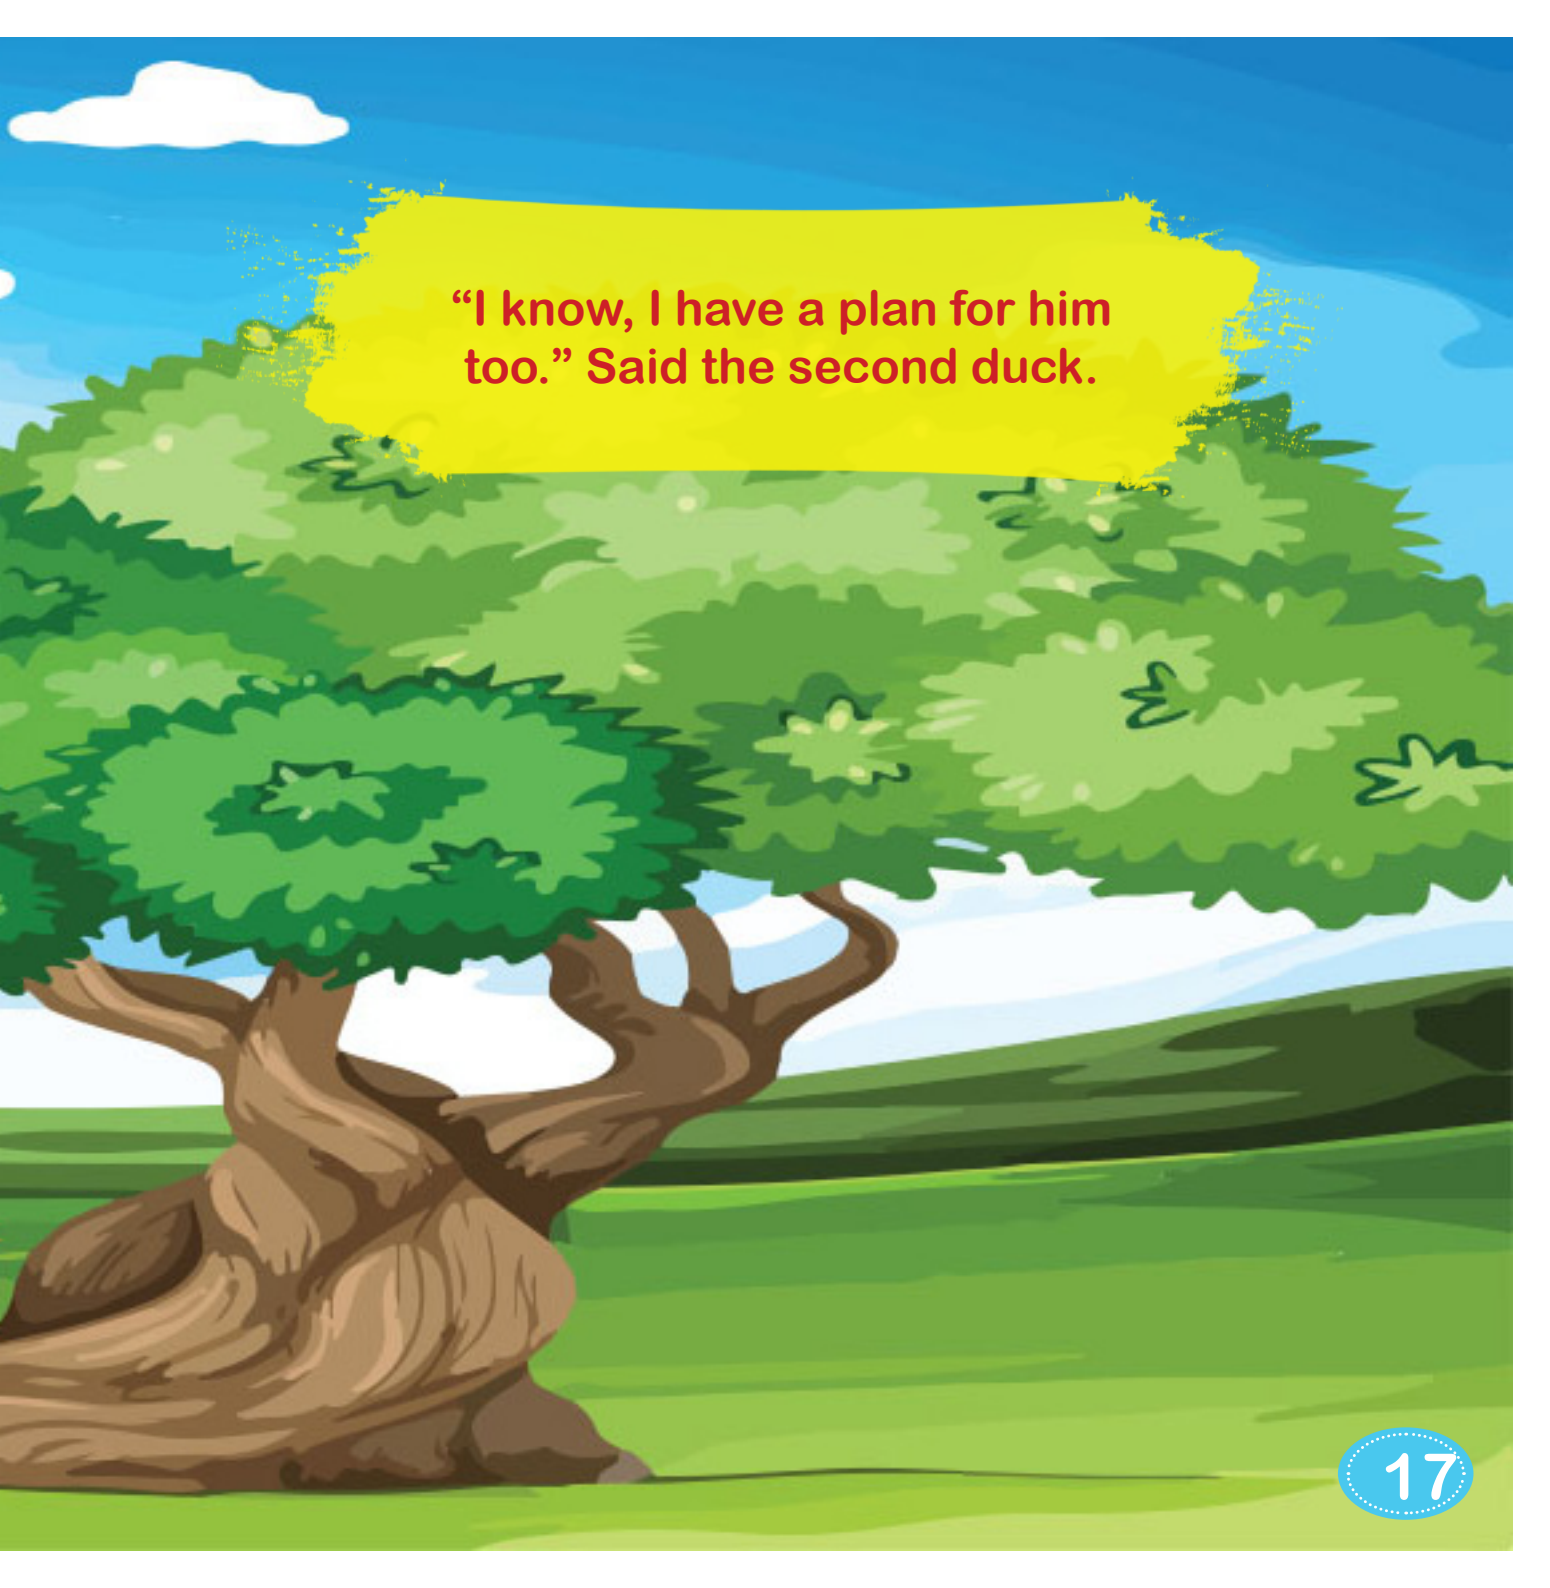

The next day, the first duck said
“are we going to swim today? I
bet that Mr. fox is waiting for us
and he has a bad plain.

“saya tahu , saya juga punya rencana
untuknya.” Kata bebeb kedua.

"I know, I have a plan for him too." Said the second duck.

Didalam perjalanan, mereka bertemu lagi dengan rubah. “hallo sobat, pergi berenang lagikah?” Tanya rubah. “ya.. maukah kamu ikut bersama kami dan melindungi kami dari binatang-binatang jahat?” kata bebek kedua.

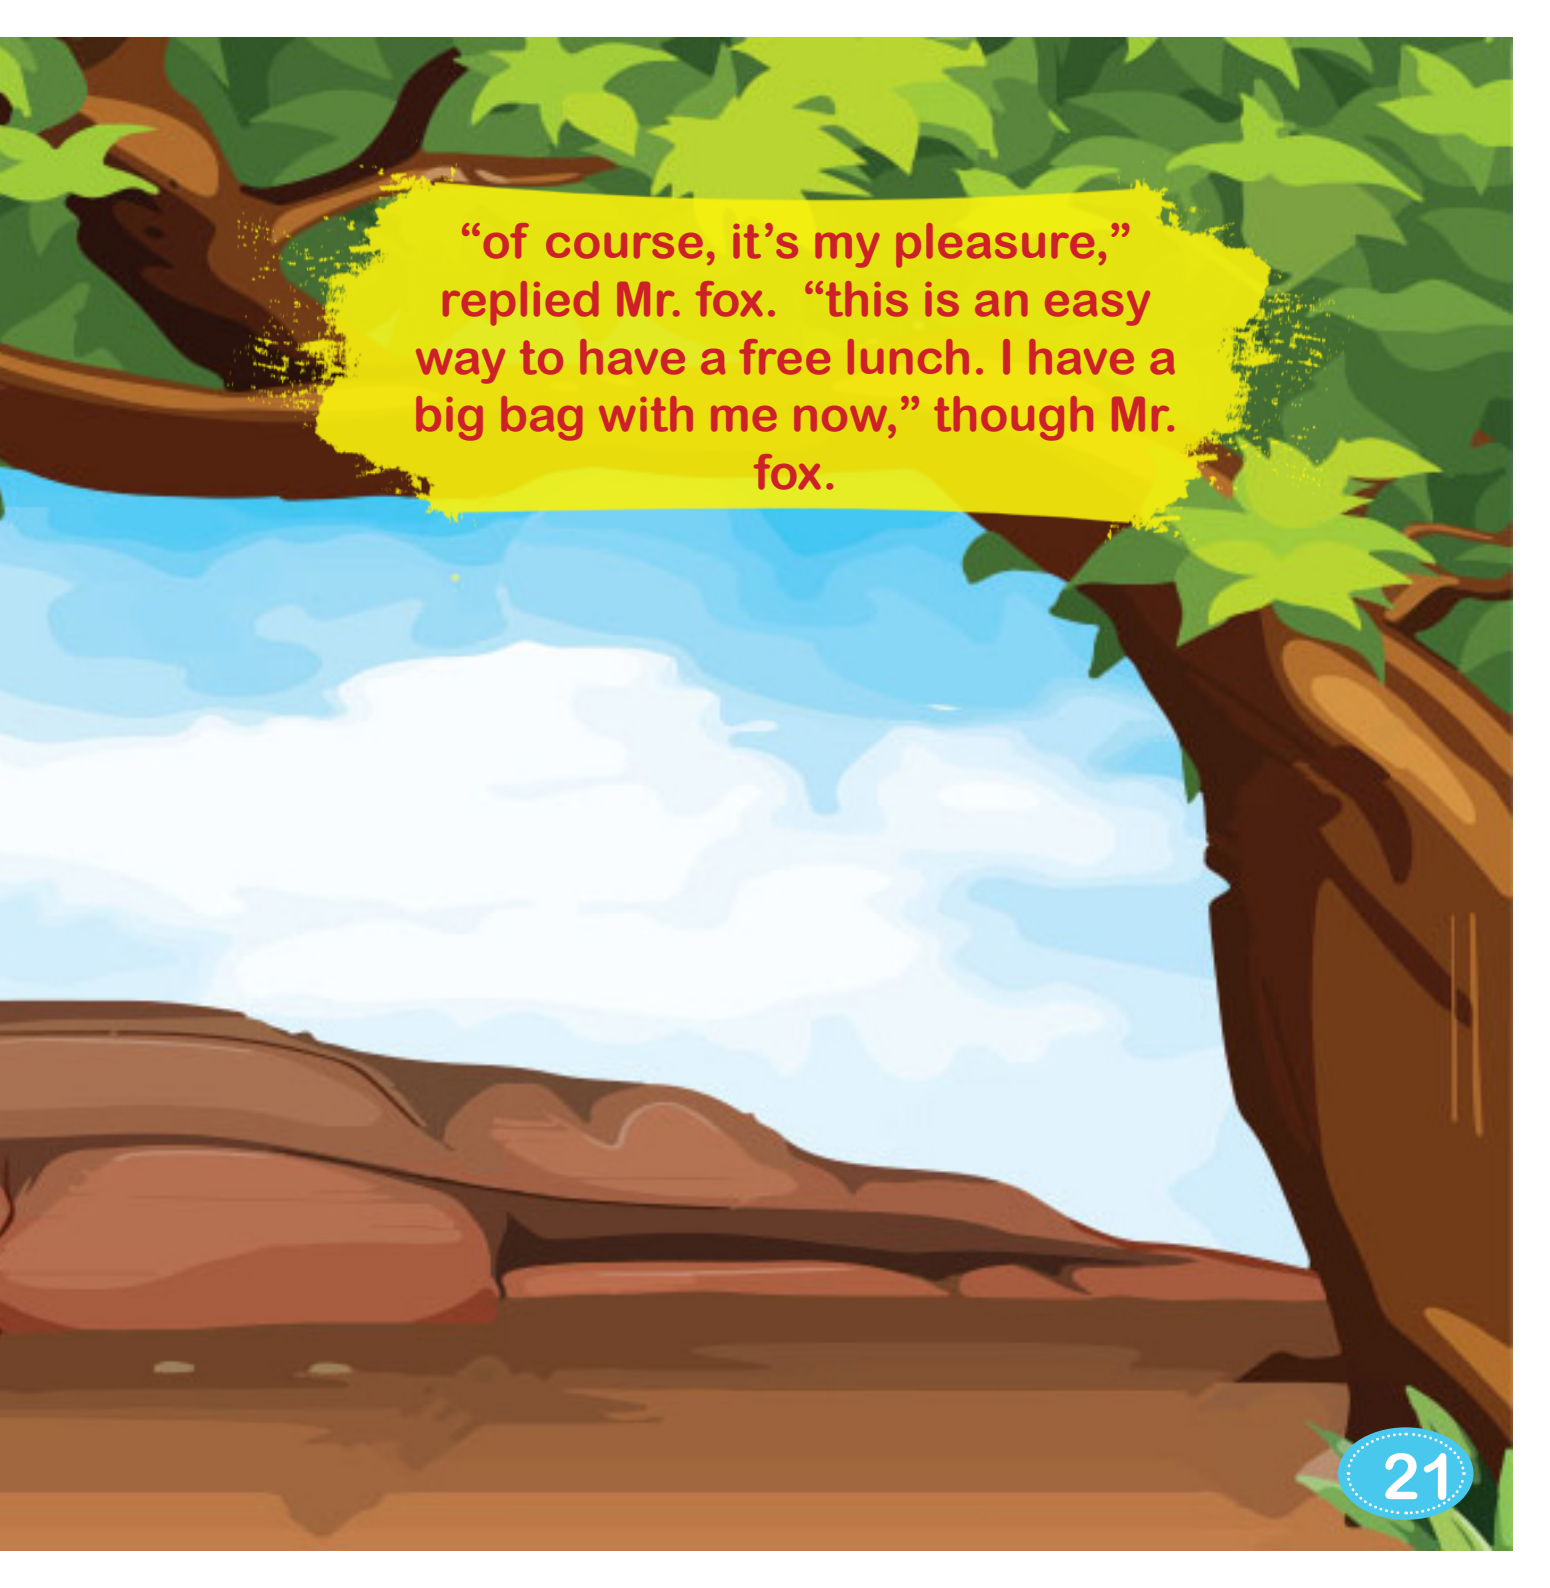

One their way they met Mr. fox again. “hello sisters, going to swim again?” asked Mr. fox. “yes, we are, why don’t you take us to the lake and protect us from bad animals?” said the second duck.

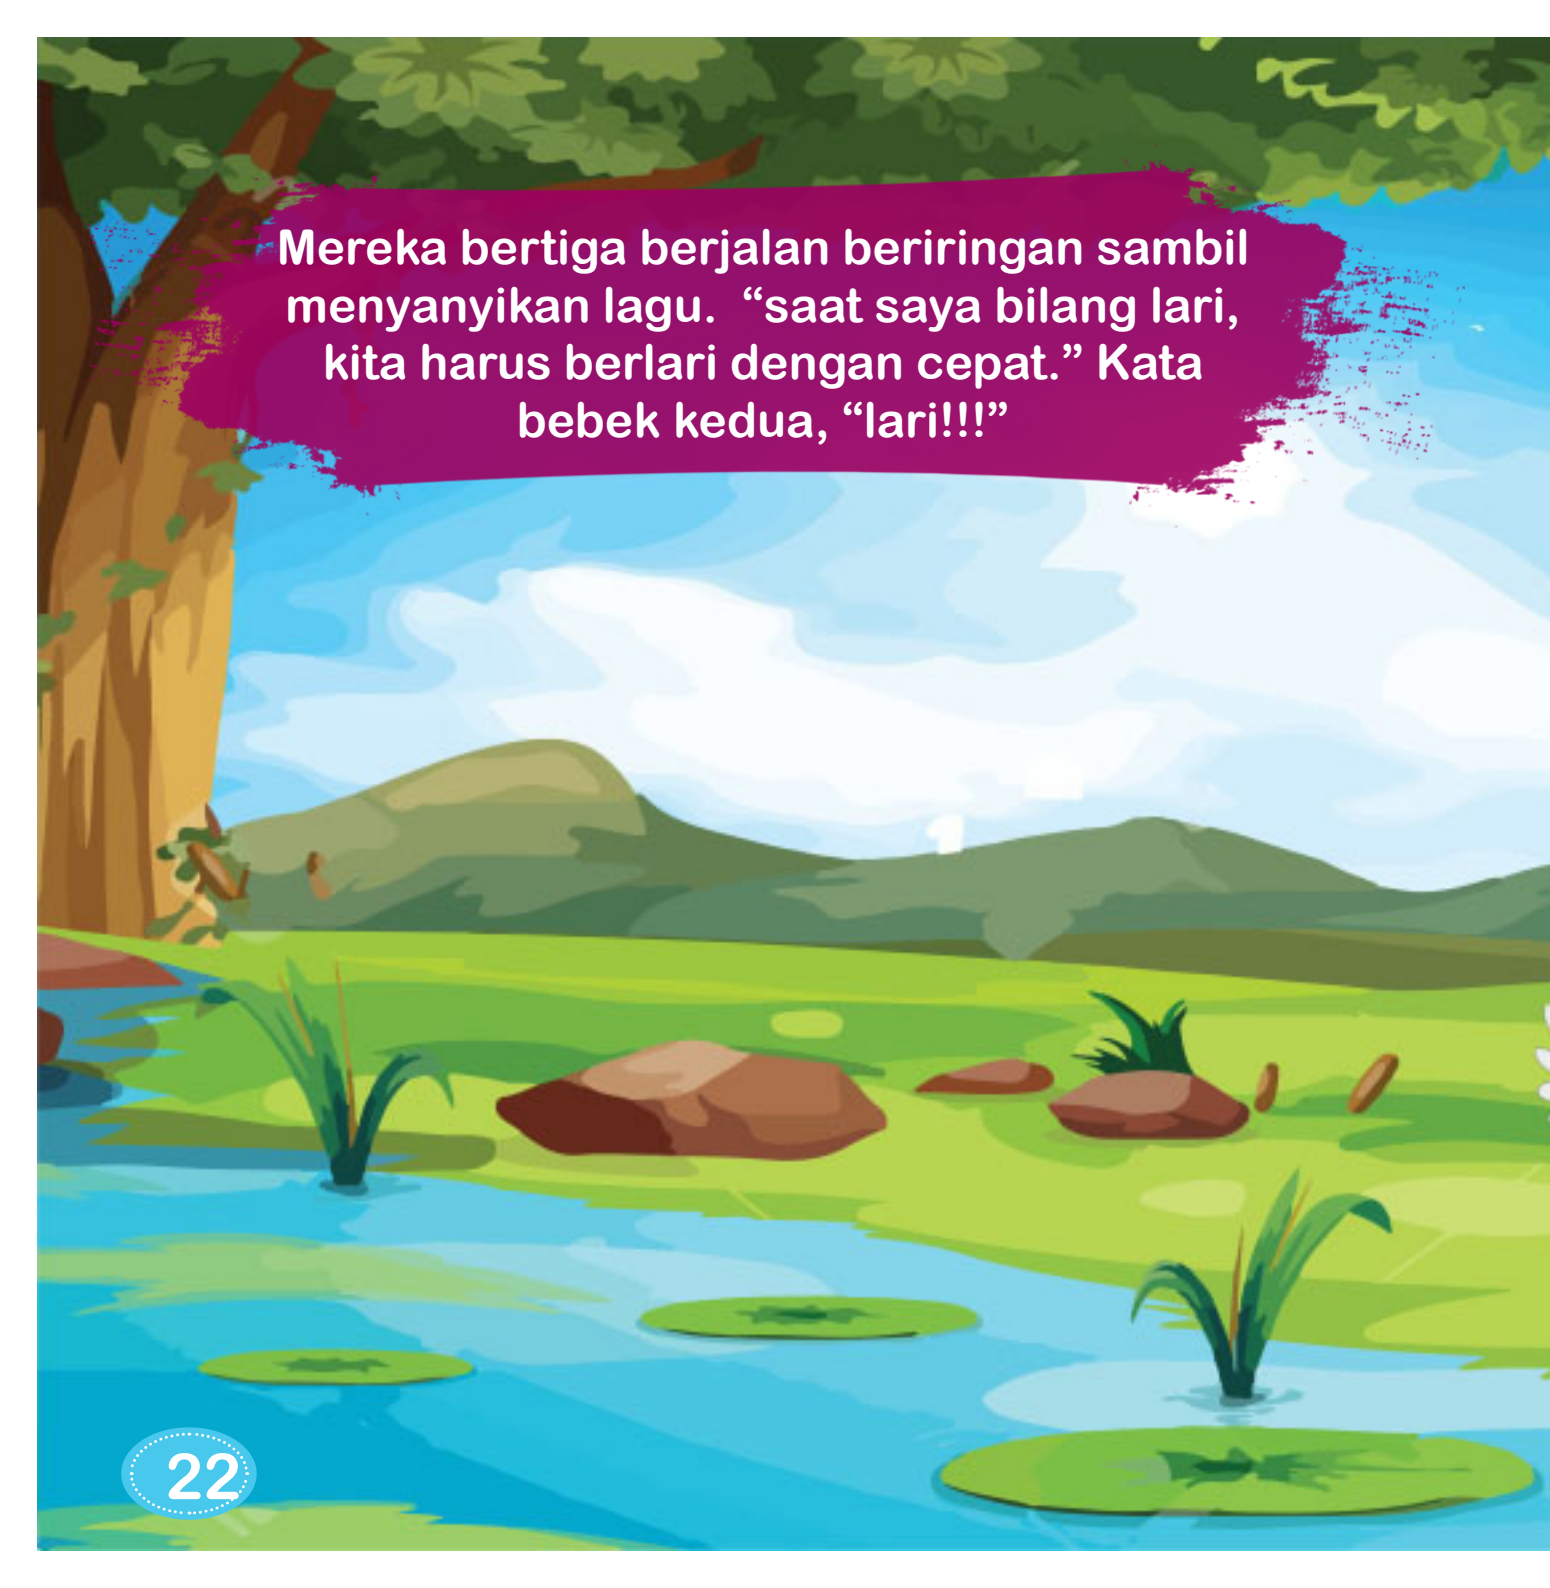

“tentu, dengan senang hati,” jawab rubah. “wow ini memudahkan lagi untuk dapat makanan siang.” Pikir rubah.

“of course, it’s my pleasure,”
replied Mr. fox. “this is an easy
way to have a free lunch. I have a
big bag with me now,” though Mr.
fox.

Mereka bertiga berjalan beriringan sambil menyanyikan lagu. “saat saya bilang lari, kita harus berlari dengan cepat.” Kata bebek kedua, “lari!!!”

Three of them walked to the
lake and sang some songs.
“When I say run, let’s run fast
together.” Said the second
duck. “run!!!”

Merekapun segera berlari cepat melompat kedanau. Sang rubah juga ikut melompat mengejar mereka, tetapi dia lupa bahwa dia tidak bisa berenang. Akhirnya sang rubah pun tenggelam dan gagal mendapatkan makan siang.

They ran so fast and jumped into the lake. Mr. fox jumped upon them, but he forgot that he could not swim. So, Mr. fox drowned in the lake. He failed to get his free lunch.

**Pesan Moral dalam Dongen ini adalah
jangan pernah berniat jahat ke
seseorang, sebab kejahatan
menimbulkan malapetaka bagi diri
sendiri**
