MEDINA ILMU
Mencerdaskan Generasi Bangsa

Suatu hari yang panas , semut
sedang mencari air .

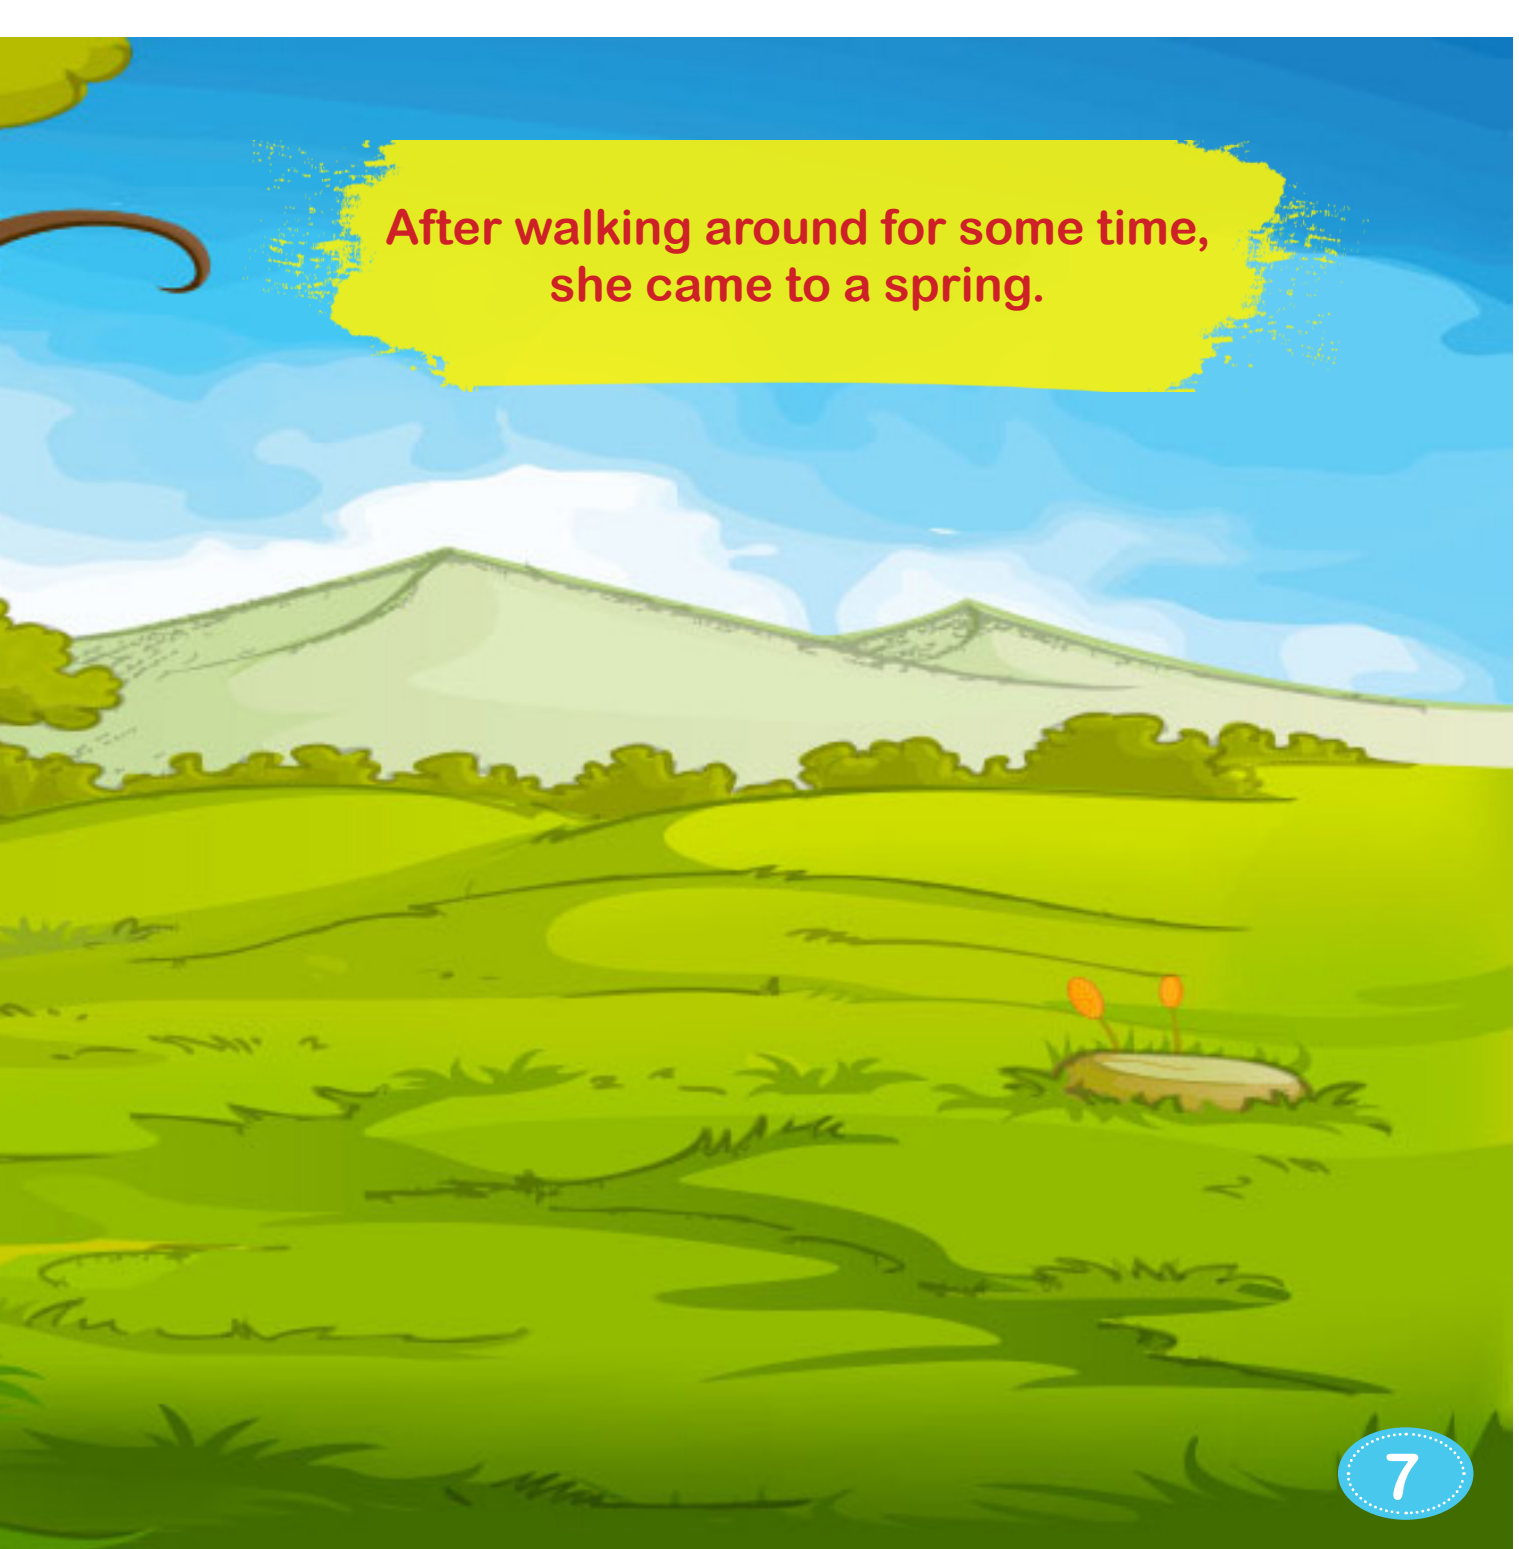

One hot day, an ant was
searching for some water.

Setelah berjalan sekitar untuk
beberapa waktu , dia tiba ke sebuah
mata air.

After walking around for some time,
she came to a spring.

Untuk mencapai air, dia harus memanjat
rumput .

To reach the spring, she had to
climb up a blade of grass.

Sementara membuat jalan ke atas , dia
terpeleset dan jatuh ke dalam air .

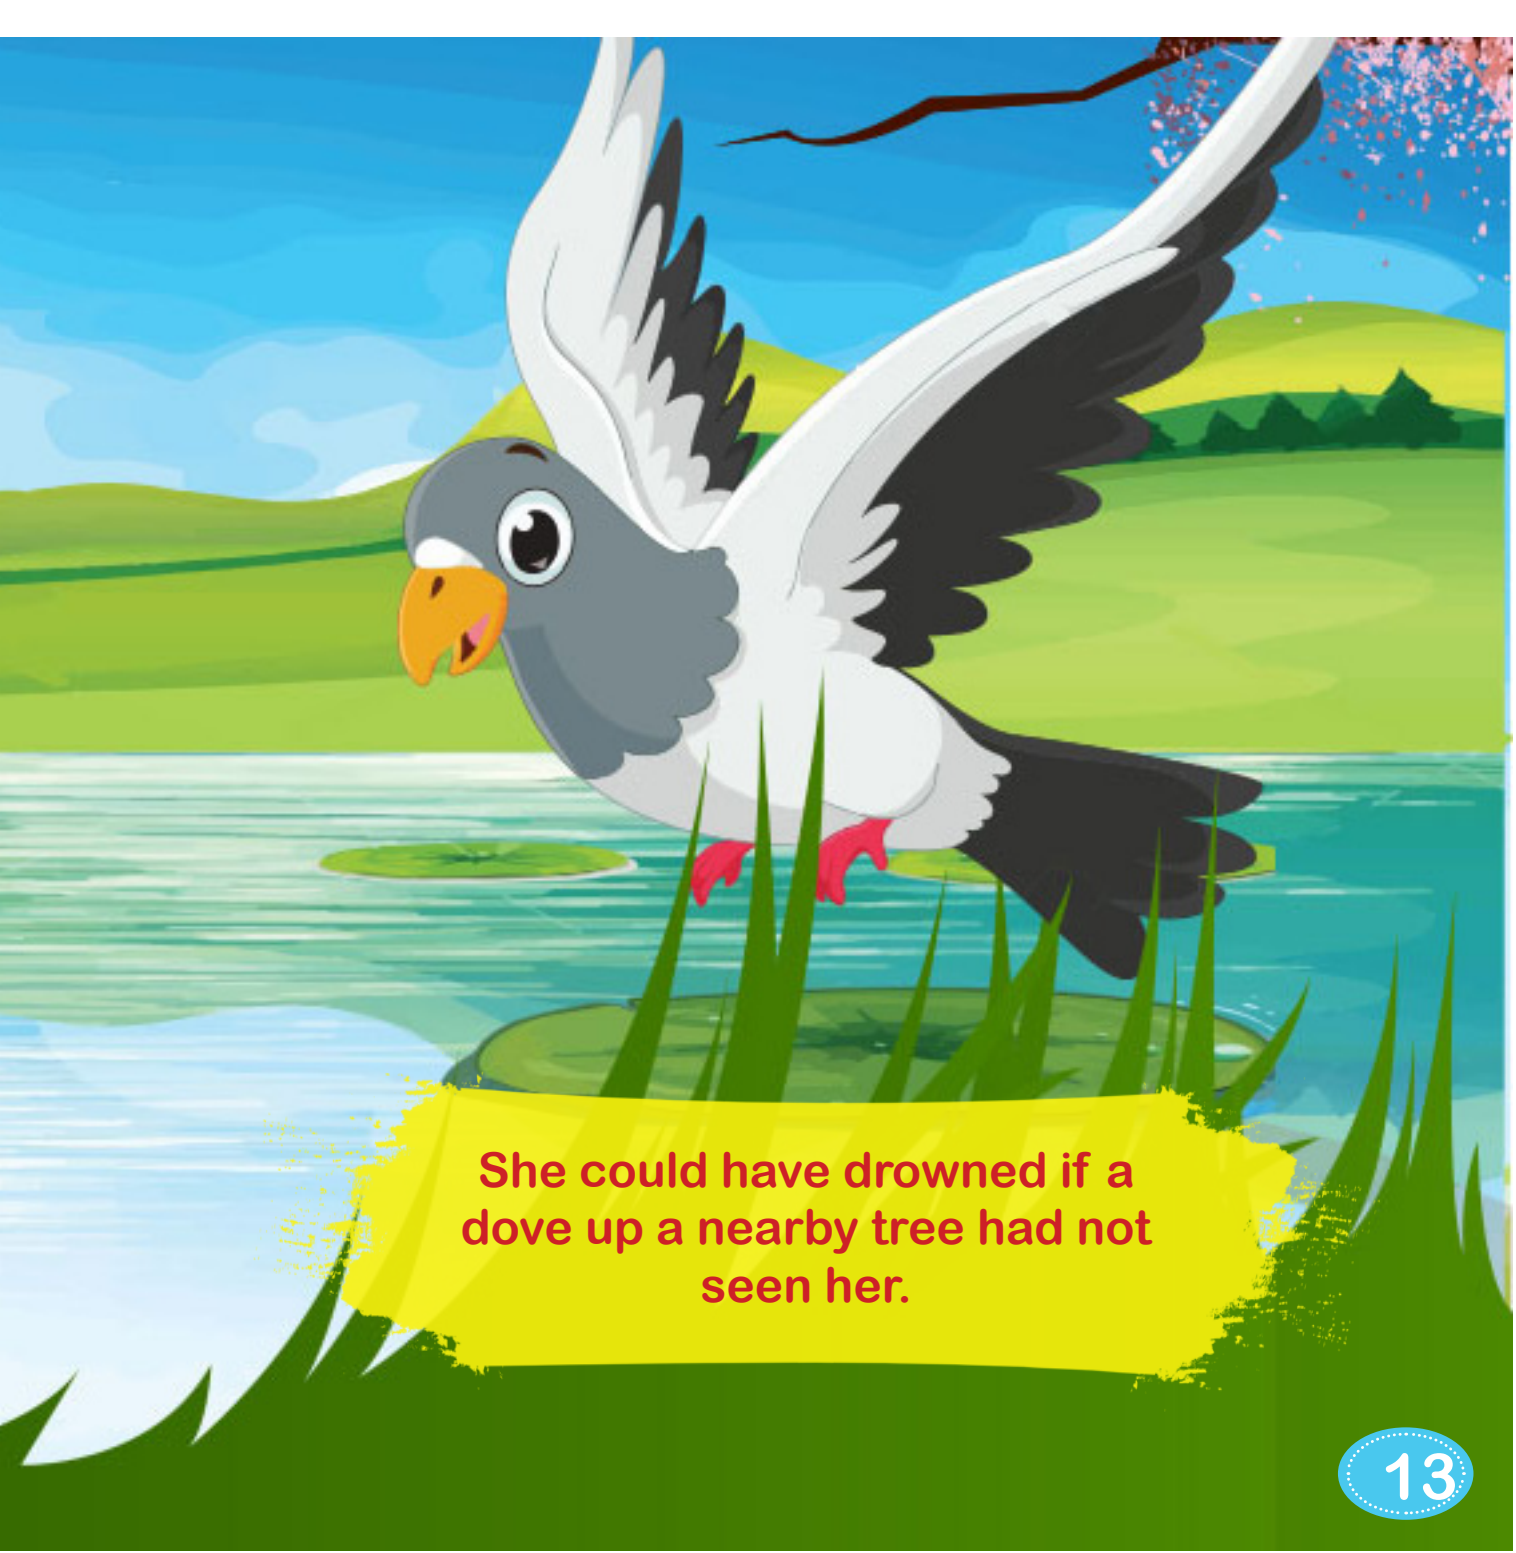

While making her way up, she
slipped and fell into the water.

Dia bisa saja tenggelam jika merpati
di sebuah pohon di dekatnya tidak
melihatnya.

She could have drowned if a
dove up a nearby tree had not
seen her.

Melihat bahwa semut itu dalam kesulitan
, burung merpati cepat memetik daun
dan menjatuhkannya ke dalam air dekat
semut.

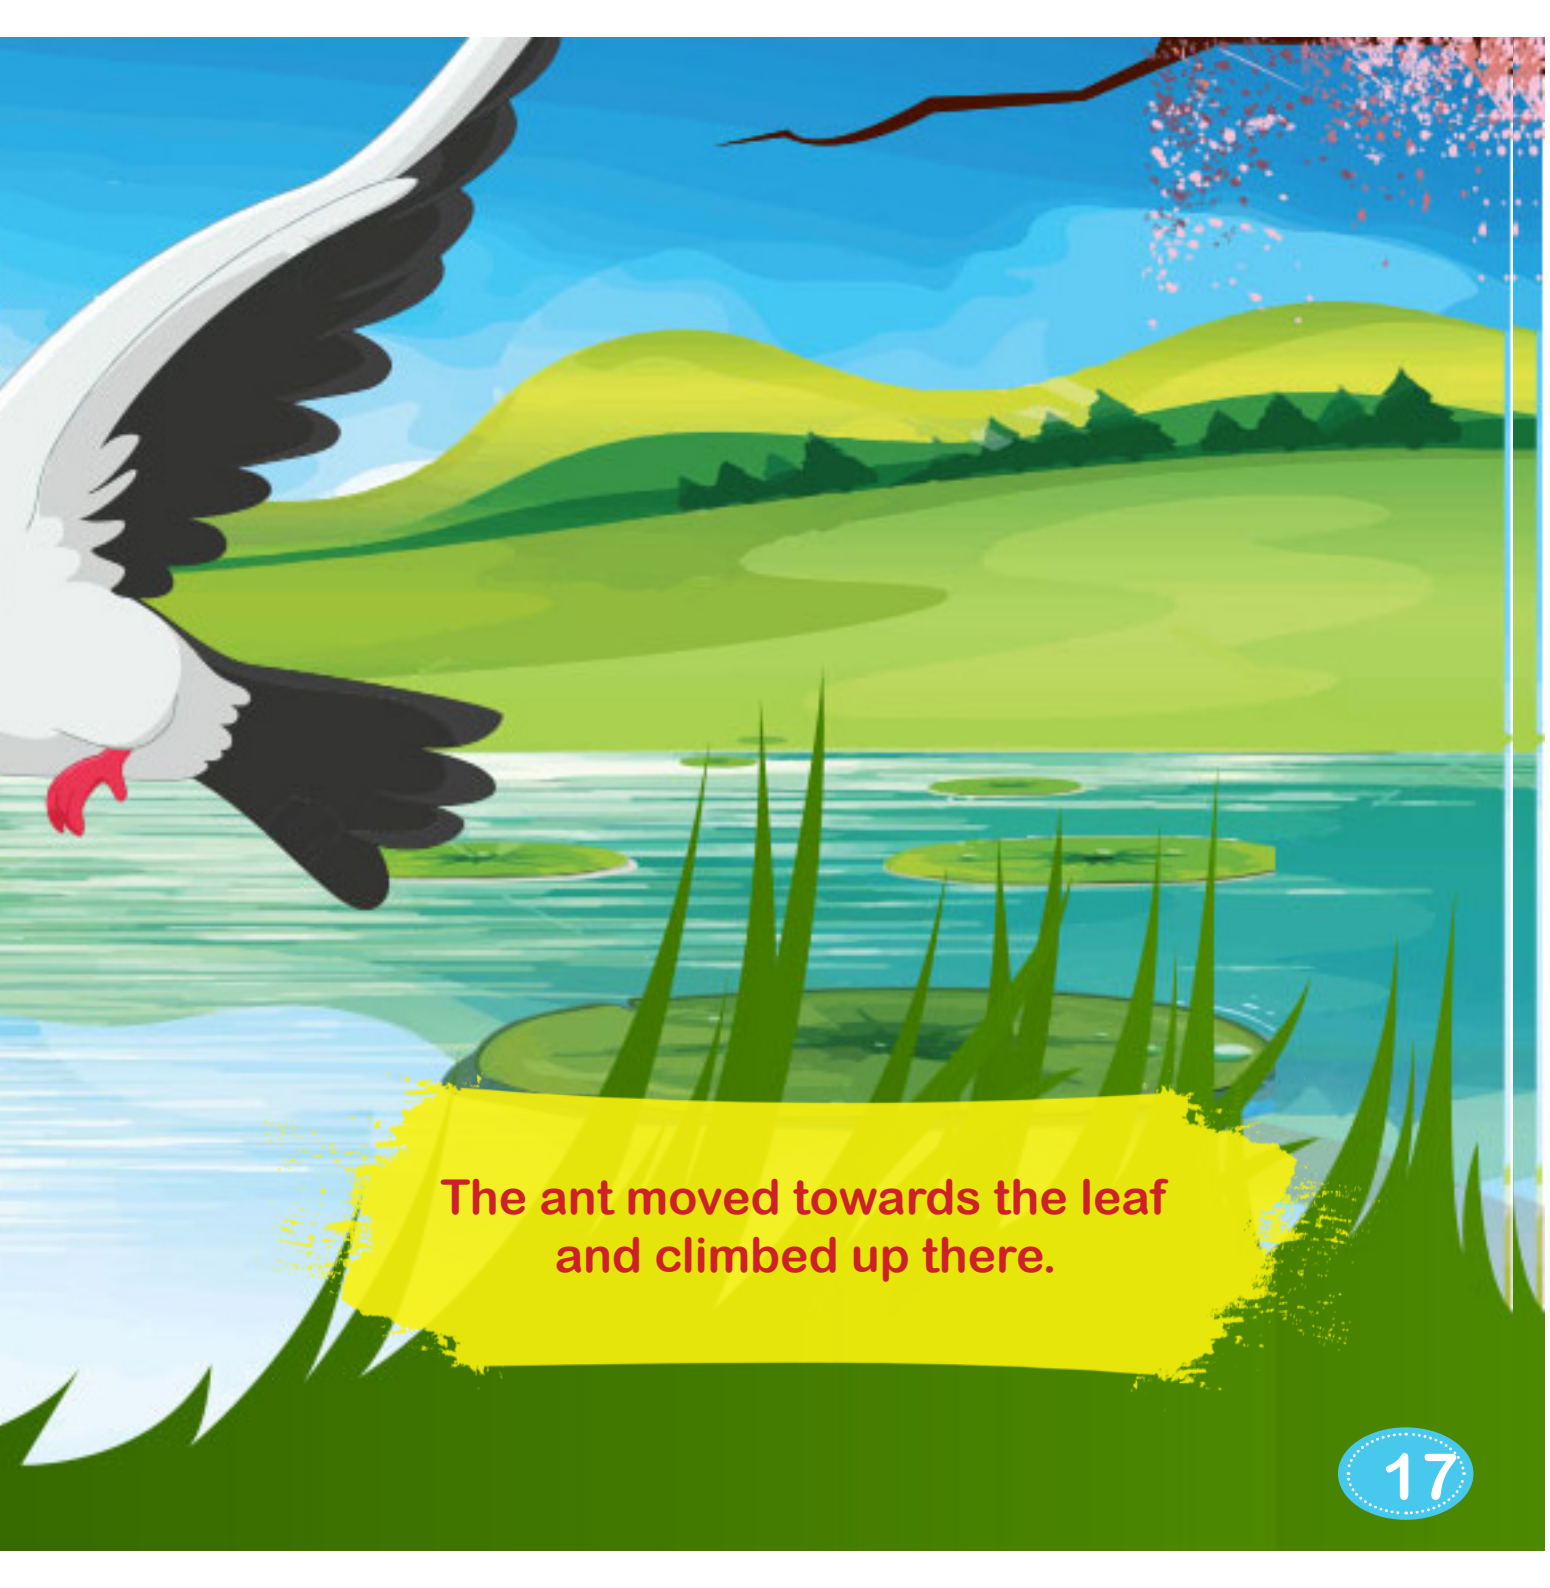

A colorful illustration of a landscape. In the foreground, there are tall green grass blades. Behind them is a pond with several green lily pads. In the background, there are rolling green hills under a blue sky. A dove with white feathers and a red beak is flying from the left side of the frame. A yellow rectangular box with a textured border is superimposed over the middle of the image, containing text. In the top right corner, there are some pink and red flower petals falling.

Seeing that the ant was in trouble, the dove quickly plucked off a leaf and dropped it into the water near the struggling ant.

Semut bergerak menuju daun dan naik di atas sana .

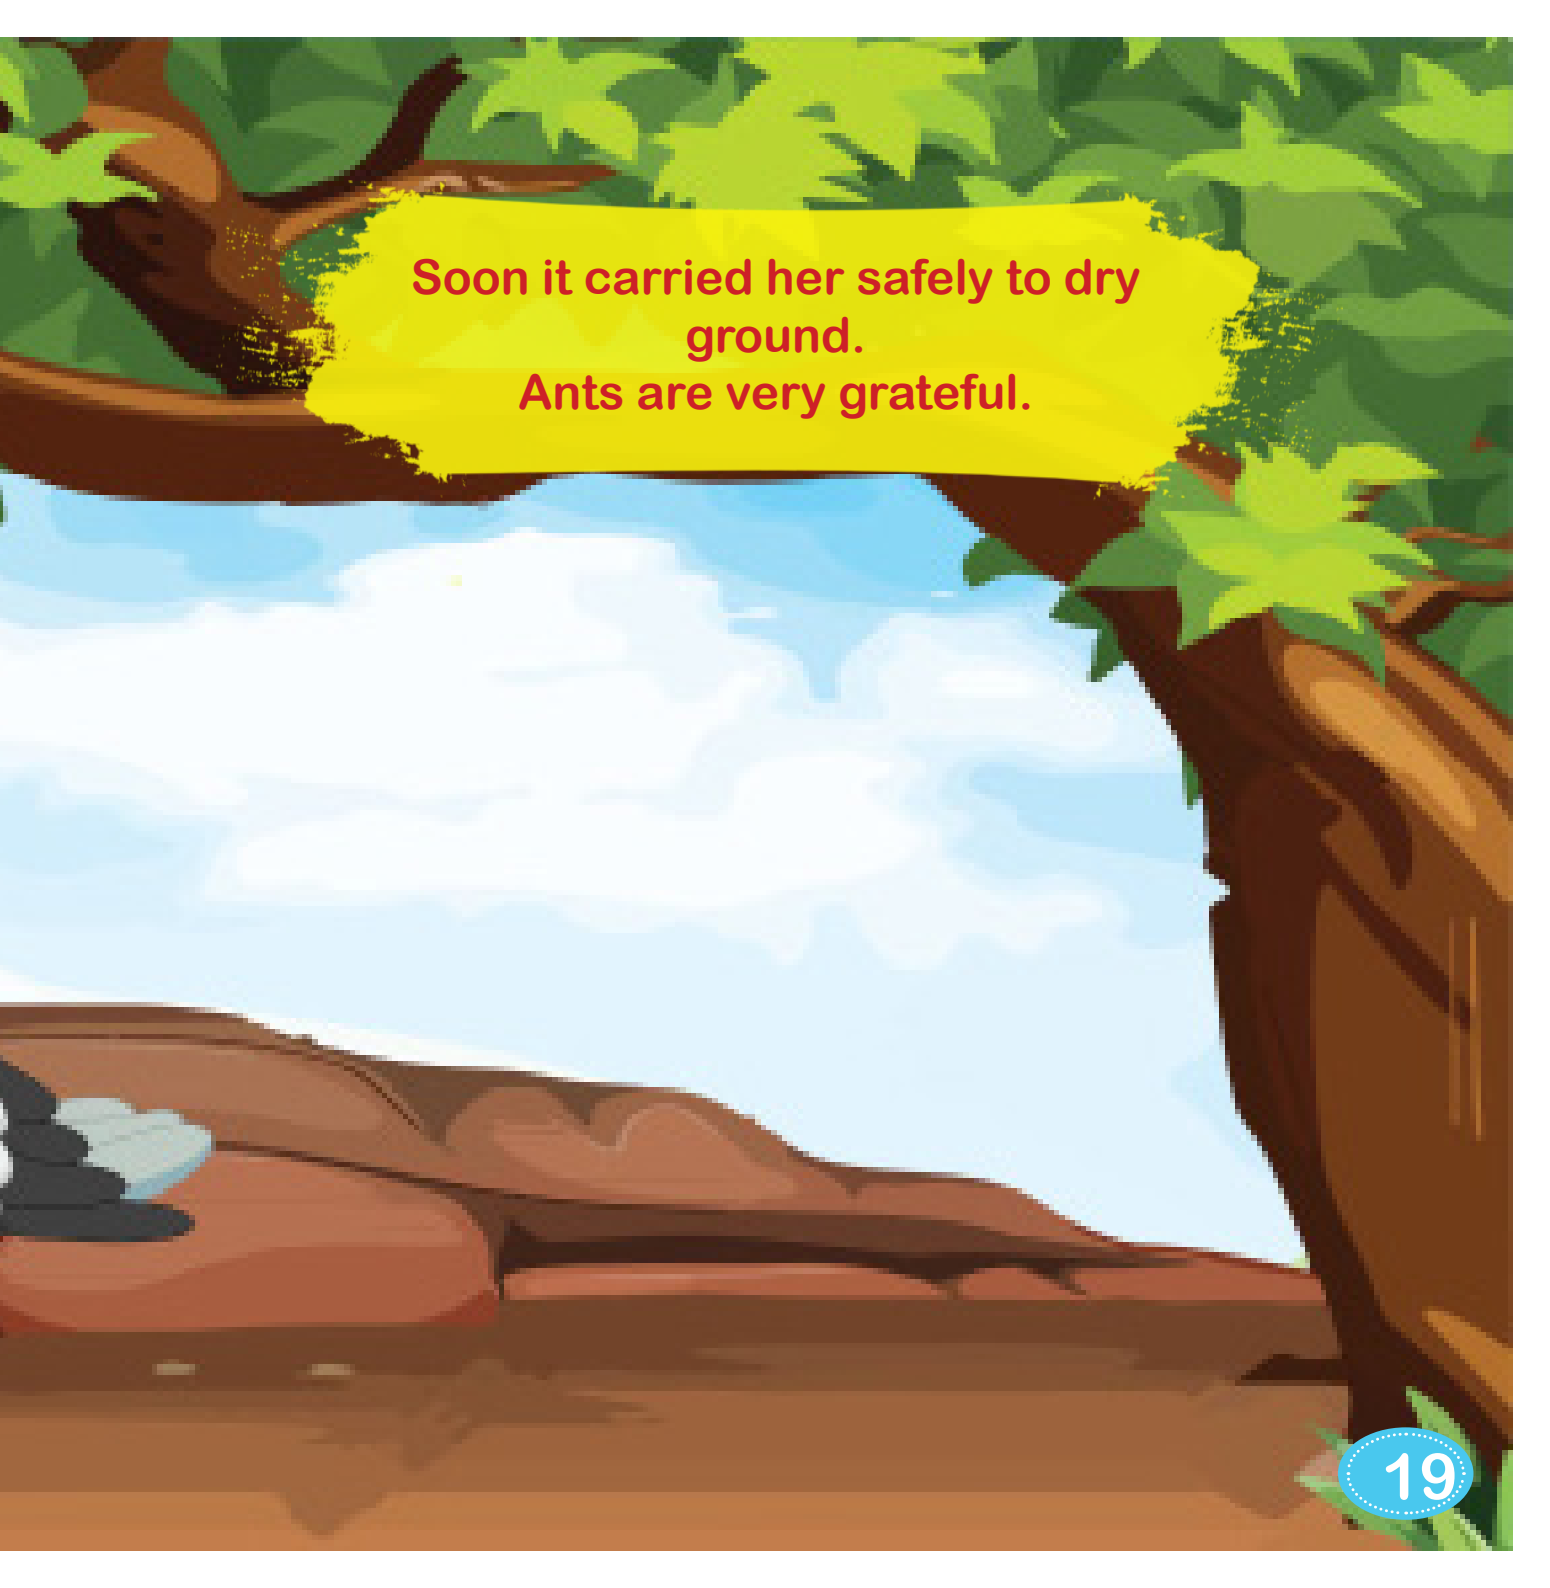

The ant moved towards the leaf
and climbed up there.

Merpati segera membawanya dengan aman ke tanah kering . Semut sangat berterima kasih.

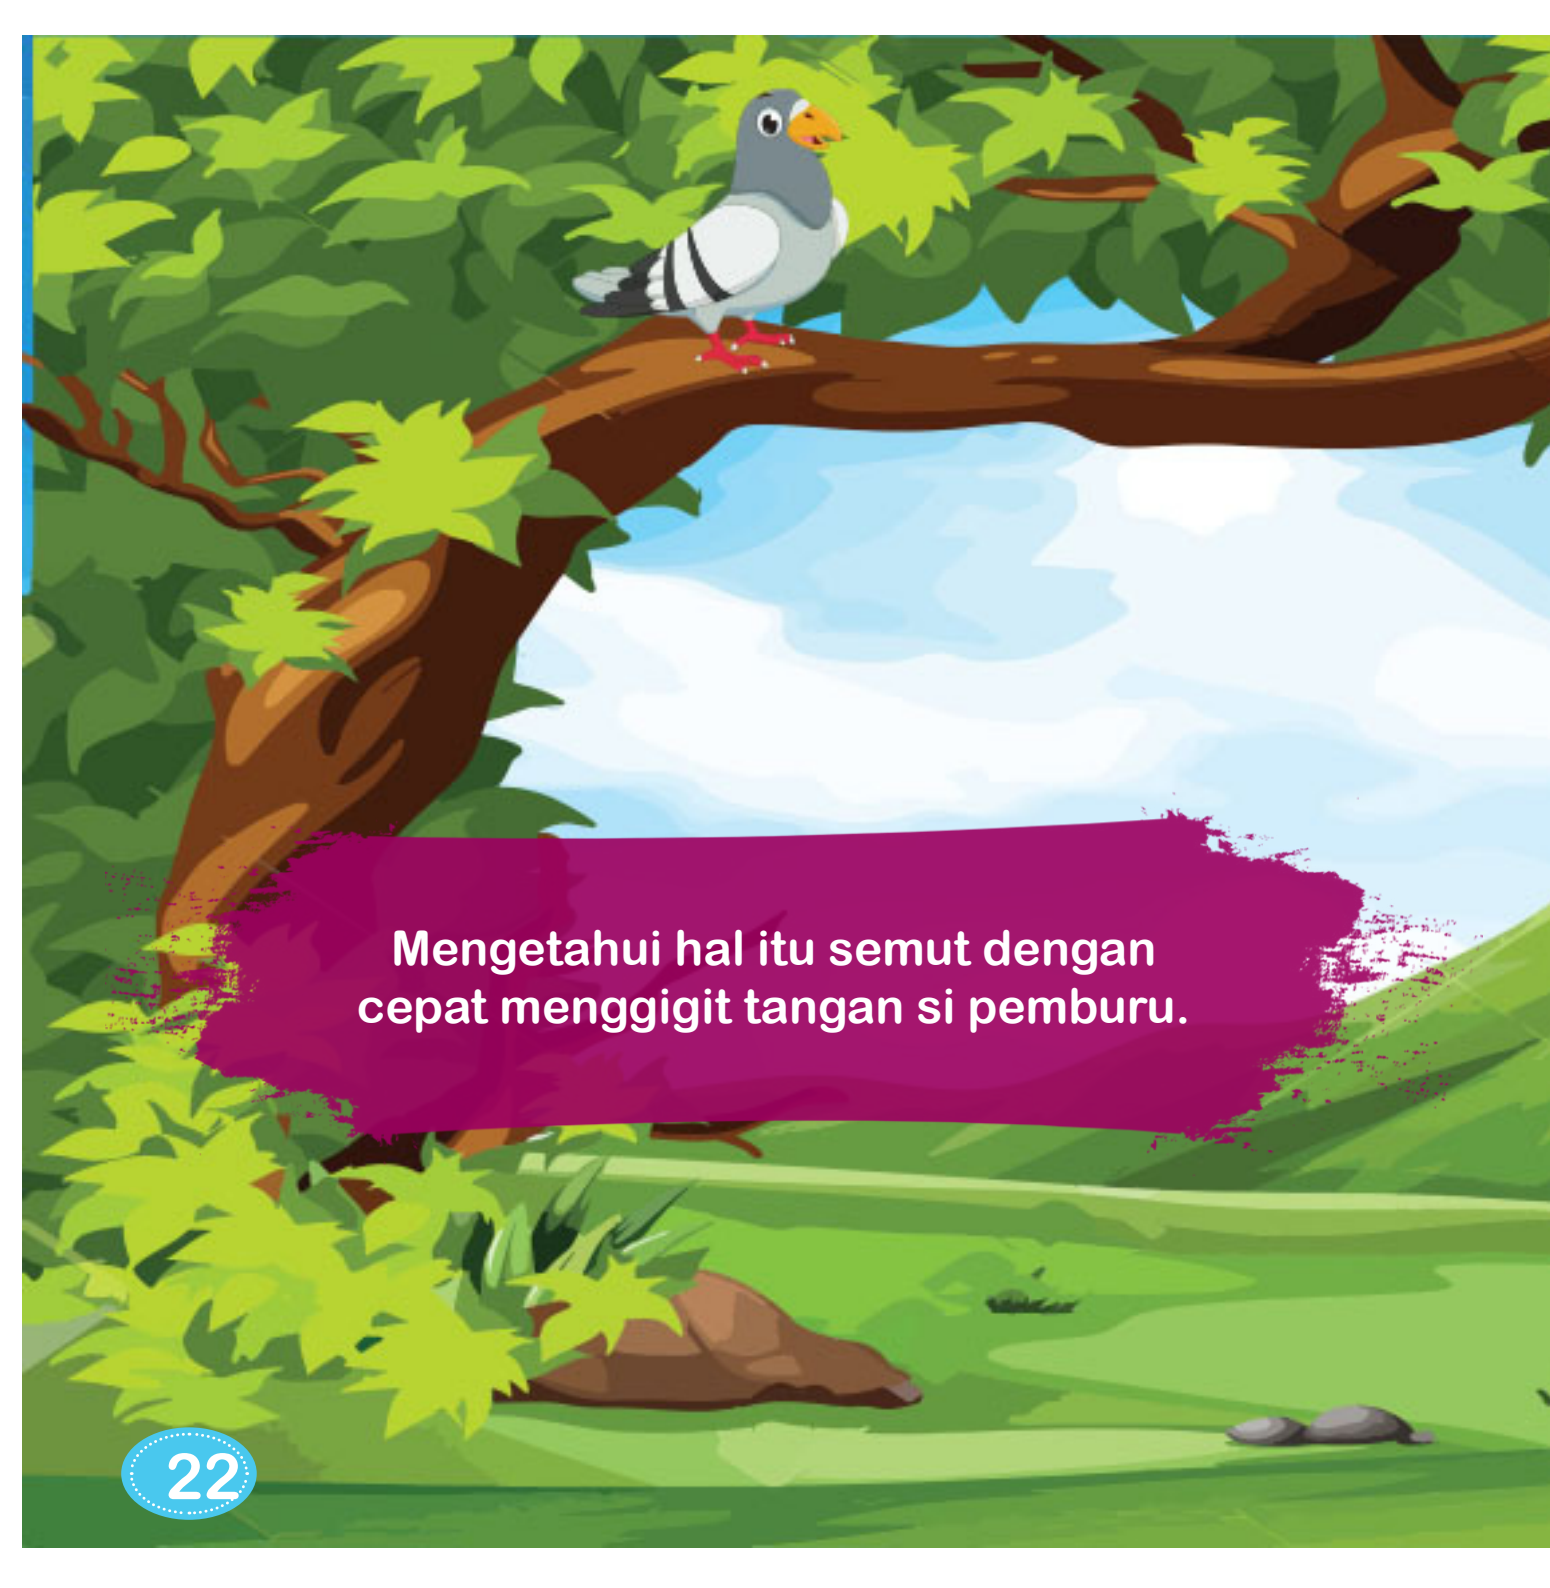

Soon it carried her safely to dry
ground.
Ants are very grateful.

Tak lama kemudian, seorang pemburu datang mencoba menembak ke arah burung merpati.

A colorful illustration of a hunter with a red mustache and a blue hat, aiming a long black rifle. He is wearing a brown tunic and blue pants. The background features a green hill, a blue sky with white clouds, and a tree with green leaves. A yellow speech bubble contains text.

Not long after at that time, a hunter came to try shooting at dove.

Mengetahui hal itu semut dengan
cepat menggigit tangan si pemburu.

Knowing that the ants quickly bite
the hand of the hunter.

Merasakan sakit , pemburu menjatuhkan senapannya . Merpati cepat untuk terbang ke tempat yang aman.

Feeling the pain, the hunter dropped
his net. The dove was quick to fly
away to safety.
