Mencerdaskan Generasi Bangsa

Di suatu hutan, hiduplah berbagai macam binatang. Salah satunya ada seekor monyet yang sangat nakal dan suka berbohong. Semua penghuni hutan tidak suka dengan sifat si monyet itu.

Once upon a time in the forest, there were many kind of animal. One of them is a naughty monkey who often lying. Everyone in the jungle didn't like the monkey's attitude.

Si monyet itu selalu mengganggu binatang penghuni hutan di sana. Bahkan dengan sesama monyet pun dia sering ribut. Seperti hari ini, dia merebut pisang kepunyaan monyet yang lainnya.

The monkey always bothered all of forest habitant there. Even with fellow monkey, he often made chaos. Like what happened today, he grabbed other monkey's banana.

Suatu ketika si monyet sedang istirahat sambil makan di sebuah pohon, hari ini dia belum melakukan kegemarannya yaitu mengganggu penghuni hutan. Sambil bersantai ia memikirkan rencana apa yang akan dibuatnya.

One day, when the monkey rested while having a meal on a tree. He thought about something he hadn't done yet, his hobby to the forest habitant. He planned about the upcoming trap.

Tiba-tiba kawanan kambing melintas. Si monyet berencana menjahili kambing-kambing itu. Ia berpikir sejenak dan akhirnya menemukan sebuah ide, si monyet berlari menyusul kambing-kambing itu sambil berteriak, “Banteng mengamuk, ada banteng ngamuk”.

Suddenly, the troop of sheep were crossing. The monkey had plan to annoy them. He thought for a while and he found an idea. He run towards towards the sheeps and shouted “raging bull, beware of raging bull”.

Karena takut, maka para kambing itu langsung berlari. Tapi Setelah sadar ternyata tidak ada banteng yang mengamuk, kawanan kambing tadi berhenti. Dan dari kejauhan melihat Si monyet tertawa terbahak-bahak. Akhirnya si kambing tahu kalau mereka dibohongi si monyet.

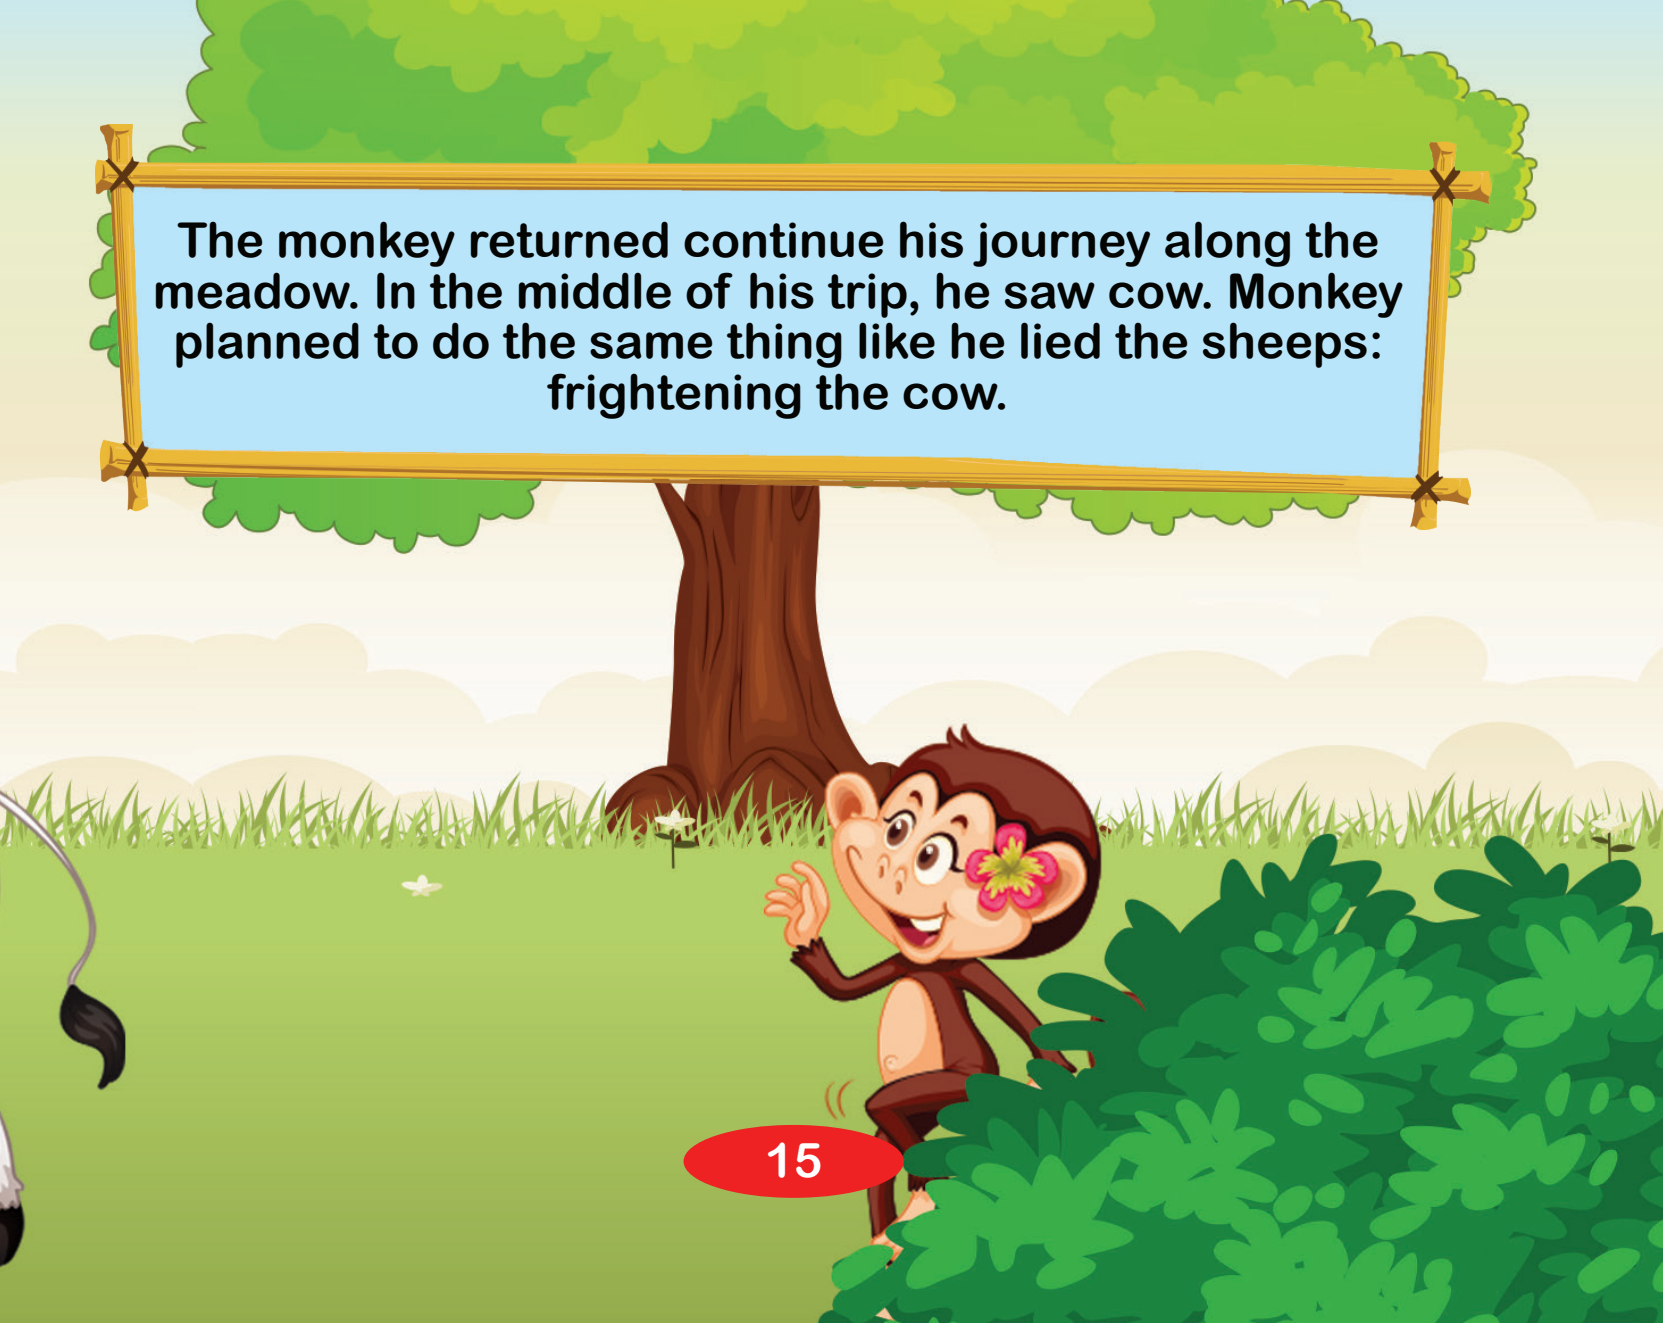

Those troop of sheeps run immediately yet after they realized that there was nothing raging bull, they stopped. From the distance, they saw the monkey roar with laughter of laud. At last, they know that they had been deceived by the monkey.

Si monyet kembali berjalan menyusuri padang rumput,
di tengah jalan ia melihat si sapi. Si monyet pun
berencana melakukan hal yang sama seperti
membohongi si kambing, yaitu menakuti si sapi.

The monkey returned continue his journey along the meadow. In the middle of his trip, he saw cow. Monkey planned to do the same thing like he lied the sheeps: frightening the cow.

Si monyet segera berlari mendekati si sapi, dia berteriak. “Banteng ngamuk, banteng ngamuk,” teriak si monyet sambil mendekati si sapi. Mendengar jeritan si monyet, si sapi yang kaget segera lari terbirit–birit.

**The monkey run towards the cow and he screamed
“Raging bull, raging bull”. The cow was shocked and
run immediately.**

Setelah merasa berlari cukup jauh, si sapi berhenti sambil beristirahat. Dia merasa aneh karena sang banteng kalau berlari pasti sangat kencang. Si sapi pun kembali ke padang rumput yang tadi dan menemukan si monyet sedang tertawa senang.

After running for pretty further away, the cow stopped and he rested. He felt awkward because if the bull run, it should be very fast. He went back to previous meadow and found the laughing monkey.

Si sapi pun menghampiri si monyet dan berkata, “Hai monyet, sungguh tega kau membohongiku. Suatu saat sifatmu ini akan membuatmu celaka,” tambah si sapi dengan kesal. Tapi si monyet malah tidak memedulikan si sapi dan langsung pergi.

The cow came to the monkey and said, “Didn’t you have any compassion to deceive me? One day your attitude would bring accident to you,” the cow mad how ever monkey didn’t care about what cow had said and he left the cow.

Keesokan harinya, kawanan kambing bertemu dengan si sapi, mereka bercerita tentang kejadian yang dialami kemarin. Mereka ingin agar si monyet jera supaya tidak mengganggu binatang lainnya.

The following day, the group of sheeps met the cow. They shared their story regarding about the situation they had felt yesterday. They wanted that the monkey would cured his bad habit to not annoy other animals.

Sewaktu mereka sedang berbagi cerita, tiba-tiba dari kejauhan terdengar suara teriakan, ternyata si monyet yang sedang berteriak-teriak. “Banteng ngamuk, tolong... banteng ngamuk! Tolong... toloooong!” teriak si monyet.

Meanwhile they were sharing their stories, suddenly from the distance they heard screaming. It was screaming voice “Raging bull, please help, raging bull! Please heeeeeeeelp,” screamed the monkey.

Karena kambing dan sapi kemarin dibohongi oleh si monyet, maka mereka berdua berpikir si monyet berbohong lagi. Kini si monyet menyadari kalau berbohong bisa mencelakakannya, karena tidak ada lagi binatang yang percaya pada dia.

The cow and the sheeps didn't believe about this screaming monkey. Several days before, they had been lied and they thought that the monkey would lied again. Then monkey realized that his lying could bring accident to him as nobody would trust him anymore.

PESAN MORAL:

Janganlah suka berbohong, karena suatu saat jika berkata benar sekalipun, maka tidak akan ada yang mempercayainya.
