Suatu hari si kancil tampak terlihat kelelahan sekali, ia habis mencari persediaan makanan untuk beberapa hari. Tak berselang lama, si kerbau yang terkenal pemalas melintas di depan si kancil.

One day the mousedeer was exhausted. He had looked for the food for several days. In few minutes, the well-known lazy buffalo walked in front of him.

“Hai kancil, kelihatannya kamu sibuk sekali,” tanya si kerbau. Si kancil menjawab, “Hai kerbau, aku sedang menyiapkan persediaan makanan, karena suatu saat akan habis dan kita akan susah mencari makanan,” jawab si kancil.

**“Hi mousedeer, you looked very busy,” asked the buffalo.
The mousedeer responded, “Hi Buffalo, i had been
looking for the food since one day it would be run out
and we would be difficult to find the food.”**

“Kasihan sekali ya kamu kancil, untuk makan saja kamu harus bekerja keras dulu. Coba kau lihat aku, aku tidak bekerja, akan tetapi rumput untuk makananku banyak tumbuh di mana-mana... ha.. ha.. ha,” ujar si kerbau.

“How pitty! You should work hard first to get food. Looked at me! I didn’t need to work since the grass as my food is everywhere... ha.. ha.. ha,” said the buffalo.

Mendengar perkataan si kerbau, si kancil pun merasa dilecehkan, ia ingin sekali marah, tapi karena si kerbau adalah temannya maka ia menahan amarahnya. Dan si kancil pun melanjutkan pekerjaannya.

The mousedeer felt insulted by buffalo's statement. He would like to be mad but he could hold it because he still considered the buffalo was his friend. Mousedeer left to continue his job.

Musim kemarau panjang pun datang. Rumput-rumput yang tadinya tampak hijau, kini sedikit demi sedikit berubah warna dan mati.

**The dry season came. The green grasses changed its
colour slowly and it died.**

Si kancil yang sudah lama selalu mempersiapkan makanan, tidak khawatir kekurangan makan. Karena dia tahu suatu saat musim akan berganti, dan makanan akan sulit dicari.

Mousedeer wasn't affraid about deficient food as he had had prepared before. He knew that the season changed and the food would be found hardly.

Sedangkan si kerbau yang hidup bermalas-malasan karena awalnya banyak makanan, kini mulai merasakan kekurangan makanan. Perutnya sudah mulai lapar karena tidak ada lagi makanan yang bisa ia makan.

Meanwhile the living lazy buffalo started feel deficient food. He didn't found any grass to be eaten and he became starving.

Si kerbau mulai mencari-cari makanan. Saat itu ketemulah ia dengan si kancil. Dengan ragu ia menyapa dan mengutarakan niatnya, “Hai kancil, bisakah kau berikan aku sedikit makanan? Aku lapar sekali,” kata si kerbau.

The buffalo started to find the food. He met the mousedeer. With doubt he greeted the mousedeer and said about his intention “Hi mousedeer, would you give me a bit of your food? I was starving,” asked the buffalo.

“Kau kenapa kerbau, dulu kau bilang kau tidak perlu repot-repot mencari makanan karena makananmu banyak, tapi sekarang kau memintaku untuk memberikanmu makanan?” jawab si kancil masih menaruh kesal kepada si kerbau.

“What had been happened? You had said that you didn’t need to be difficult for finding food due to your food source were plenty, but why did you ask my help to give you food?” responded mousedeer with full of annoy.

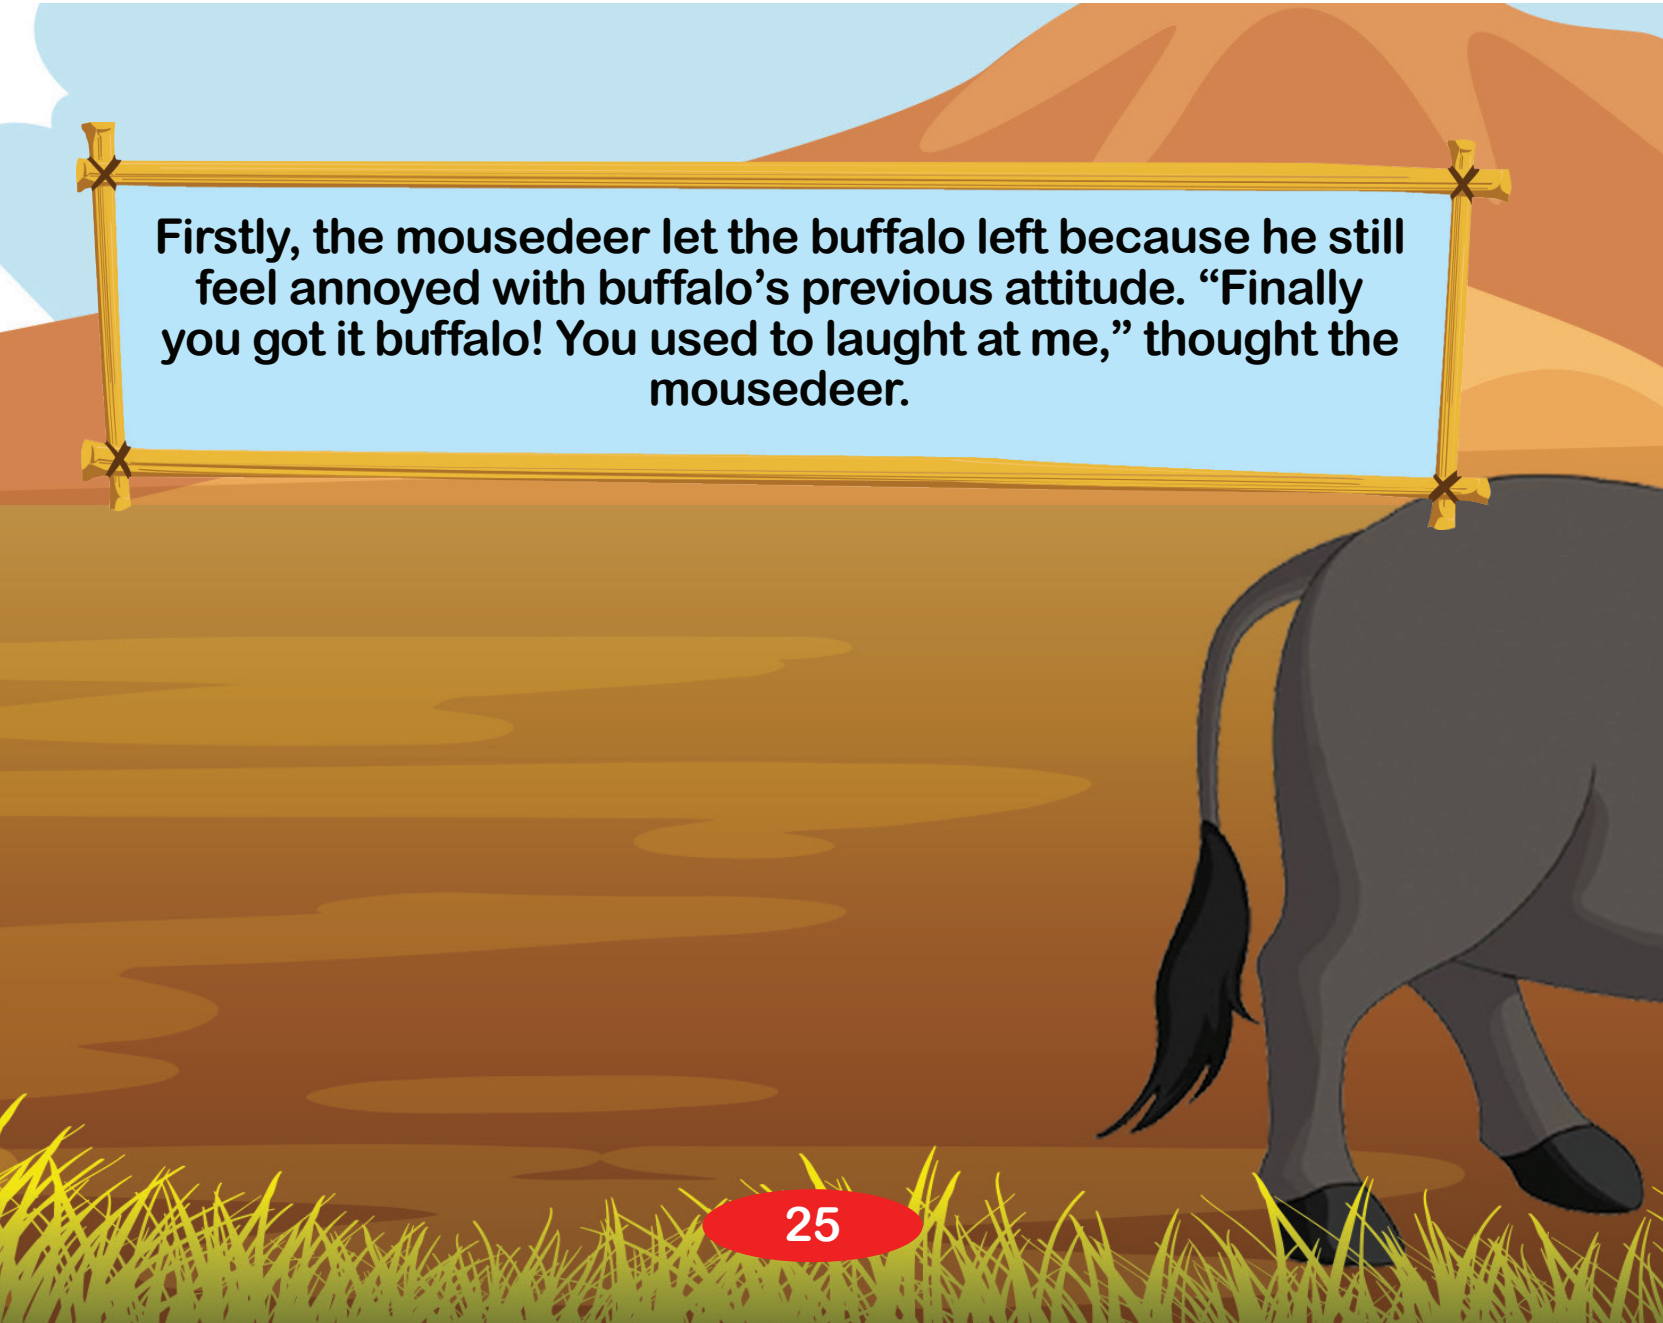

The background is a dry, hilly landscape with orange-brown mountains and a few green bushes. A wooden sign is suspended in the upper part of the scene. In the foreground, a spotted deer stands on the right, looking towards the left. On the left side, there are large grey rocks and a small cow with a purple body and yellow spots, partially obscured by the rocks.

“Memang kancil, dahulu aku suka malas-malasan, karena aku pikir makananku banyak dan tak akan pernah habis. Tapi karena musim kering seperti ini, semuanya mati kekeringan,” ujar si kerbau sambil bersiap untuk pergi karena malu dengan sikapnya dulu.

“It was right mousedeer. I had been a lazy one as I thought my foodsource were plenty and wouldn’t be run out. However due to dry season like this, everything died,” said the buffalo and he was ready to leave mousedeer. He felt shameful for his previous attitude.

Awalnya si kancil membiarkan si kerbau pergi karena masih kesal dengan sikapnya dulu. “Huh, rasakan sekarang kau kerbau! Dulu kau menertawakanku,” pikir si kancil.

A cartoon illustration of a buffalo standing in a muddy field. The buffalo is grey with a black tail and hooves, facing away from the viewer. In the background, there is a wooden sign with a light blue background and black text. The sign is made of four wooden posts connected by horizontal rails. The scene is set in a landscape with orange-brown hills under a light blue sky. The foreground has some green grass.

Firstly, the mousedeer let the buffalo left because he still feel annoyed with buffalo's previous attitude. "Finally you got it buffalo! You used to laugh at me," thought the mousedeer.

Tapi melihat keadaan si kerbau seperti itu, si kancil pun tidak tega. Walaupun masih menyimpan kesal tapi si kerbau masih temannya juga, si kancil pun segera menyusul si kerbau untuk membagi makanannya.

But he felt pity when he saw buffalo's situation. Although he still felt annoyed but he still considered buffalo as his friend and he called the buffalo immediately to share the food.
